1<sup>st</sup> Ms Pendleton-Watkins Zefathers What It Takes

11 month old fawn puppy. Very exuberant today, making her handler work extra hard. Lovely outline and make and shape. Well filled in front, good angulations, correct topline, Good movement. Everything as it should be at this age. I am sure she will have a very bright future.

2<sup>nd</sup> Miss J H Middleton Taysca Must Be Cartier

11 month old well grown, elegant black in excellent condition, nice dark expressive eye, lovely headpiece with good length, well angulated, correct topline. Was let down by being held back on the move - really needs moving on a loose lead.

1<sup>st</sup> Mrs D Sneddon & Mrs S Booth Culseandanes House Of Tully

Have watched this girl since first seeing her as a puppy and she did not disappoint today. For me she oozes breed type, has strength but still retains the required elegance with no exaggerations. Has the most melting expression and excellent head planes. Well filled in front with good lay of shoulder, correct topline, good depth throughout presenting a super outline. Was pleased to award her the CC and, with the co-judges agreement BIS. I'm sure she will not be waiting long for her crowning third ticket.

2<sup>nd</sup> Mesdames Cunningham, Robertson & Gilbert Ganteus Sansa Stark Of Winterfell Lomondane (imp swe)

17 month old with good length of foreface, lovely expression and dark eye, presented a nice outline. Finer built than first place and not so mature. Good movement.

3<sup>rd</sup> Miss J H Middleton Rayjen Campaign

1<sup>st</sup> Miss T & Mrs L Pocock Tamzdane Cake My Day

Beautifully marked harlequin with a super outline. Totally at one with her handler. Good headpiece and well angulated front and rear. Won this class on her flowing movement showing both front reach and rear drive.

2<sup>nd</sup> Mr & Mrs G Liddell Gretadane Mel Bee

Lovely expression and headpiece, good depth throughout, quality bitch just needs to let down a little at rear, am sure this will come as she continues to mature. Hard choice between 1<sup>st</sup> and 2<sup>nd</sup> in this class

3<sup>rd</sup> Mrs H & Paul Allison Gretadane Honey Suckle

1<sup>st</sup> Mrs A Harrison Jasnettdanes Moonlight

Black bitch of good type in lovely condition, very unsettled and made her handler work hard to win this class.

2<sup>nd</sup> Mr & Mrs T & B Harvey Toponurs Amazing Grace Clannalba

Believe this was this bitches first show after being rescued. Lovely expression, good outline and moved ok. Just needs a little more practice to boost her confidence. Heartbreaking to see her scars of abuse.

1<sup>st</sup> Miss C Lawson & Mr A Hunter Droolakiss Gold N'Glamour

Very typical bitch with good make and shape. Good head planes, lovely expression, arched neck, correct topline, well filled front and nice depth throughout.

2<sup>nd</sup> M & G Armour & Hooker Garsak Moonstruck

This bitch is such a happy girl, tail never stops wagging. Super head with lovely expression, good topline and angulations. Carrying too much weight today which spoilt her outline.

3<sup>rd</sup> Ms D Sitek Clannalbas Loch Sheil

1<sup>st</sup> Mr J Dyson Samdice Written In The Stars JW

Have liked this bitch since she was a puppy and at 7 years old she still shines.

Great outline with a beautiful headpiece, arched neck, well filled front, good angulations front and rear, correct topline and good reach in front with a driving

rear action on the move. If only she had a little more length of leg to balance the picture I am sure she would have received top honours in her heyday.

2<sup>nd</sup> Mr J Hugill Bandwar Swift

This 8 years old lady wears her age well, has such soft expressive eyes and good overall make and shape,

Res in a strong yearling class. Although stood alone in this class, well deserved her place as she was far more settled with this handler and stood and moved so much better than in her previous class.

1<sup>st</sup> Mrs A Bergoyne Lambrini Before The Dawn

Stood alone in this class. 9 month old puppy. Presented a good outline, Good head with nice length of foreface. Would have preferred a cleaner eye as she had a very prominent third eyelid which spoiled the expression.

### **OB (1)**
